

PRECISIONCARE SURGERY CENTER'S CONCIERGE TOTAL JOINT PROGRAM

PrecisionCare Surgery Center, one of Long Island's premier locations for total joint surgery where patients are not just patients but family.

We are happy to announce the launch of a concierge total joint program for EmblemHealth members which allows access to expedited appointment scheduling with an in-network surgeon. The program's goal is to ensure that EmblemHealth members have access to care with the added touch of attentiveness to help ease stress and improve patient outcomes. Our orthopedic surgeons are ready to serve patients in offices across 8 locations throughout the Long Island Area.

PrecisionCare Surgery Center is located in the heart of Suffolk County and is committed to providing first-class care to all patients. Our surgeons have performed over 10,000 combined successful total joint surgeries throughout their careers.
