

HMO Gold Preferred Plan

With the HMO Gold Preferred plan, you have:

- A concierge Gold Line to call for support, where you'll connect to a live, dedicated agent.
- Personalized one-on-one, group, or text health coaching at no cost to you.
- \$0 copays at Centers of Excellence – Memorial Sloan Kettering Cancer Center and the Hospital for Special Surgery.
- A \$0 premium for the base plan.
- A \$0 copay for preventive services in our network, including routine physicals, vaccinations, colonoscopies to check for colon cancer, and mammograms to check for breast cancer. You will also pay \$0 for birth control and most preventive medicines.

This plan does not cover services you get outside our network, unless it is an emergency.

Our Prime Network includes preferred and non-preferred primary care doctors. Your plan includes providers in the QualCare and ConnectiCare networks, too. When you choose a preferred primary care provider (PCP) and get a referral, you will not have to pay a copay when you see a specialist. All doctors at AdvantageCare Physicians are preferred.
