Important Questions	Answers	Why This Matters:	
What is the overall <u>deductible</u> ?	\$ 3,000/Self Only \$ 6,000/Self Plus One \$ 6,000/Self and Family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. Copayments and coinsurance amounts do not count toward your deductible, which generally starts over January 1. When a covered service/supply is subject to a deductible, only the Plan allowance for the service/supply counts toward the deductible. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.	
Are there services covered before you meet your <u>deductible</u> ?	Yes. Preventive services	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. "For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.	
Are there other <u>deductibles</u> for specific services?	Yes. \$300 for brand name drugs \$100 durable medical equipment	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.	
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$8,550 for Self Only or \$17,100 for Self Plus One or Self and Family	The <u>out-of-pocket limit</u> , or catastrophic maximum, is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out of pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.	
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, coverage for out of network services and healthcare services not covered by this plan.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .	
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.emblemhealth.com/federal or call 1-800-447-8255 for a list of <u>network providers</u> .	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a provider in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.	
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .	

All **<u>copayment</u>** and <u>**coinsurance**</u> costs shown in this chart are after your <u>**deductible**</u> has been met, if a **deductible** applies.
